Carolina Excellence is a unique way to help you connect across people, ideas and experiences through programs and opportunities. You can maximize your involvement to explore who you are, discover your personal brand and develop a record of your accomplishments. It inspires transformative learning and skill development to assist you in taking your next steps and changing the world. Connect, discover and transform. Carolina Excellence—the legacy is yours.

Carolina Excellence fosters learning and success by engaging you in learning opportunities designed to help you develop critical skills or competencies. The initiative emphasizes Dynamic Learning, Personal Growth and Community Engagement.

Dynamic Learning

Dynamic Learning is the process of intellectual exploration that leverages communication skills, creativity and critical thinking to express one’s commitment and capacity to address real world challenges.
Creativity

Critical Thinking

Personal Growth

**Personal Growth** is the process through which one achieves authenticity, balance, and purpose while creating a path toward a congruent wholehearted life.

Integrity

Self-Awareness

Wellness

Community Engagement

**Community Engagement** is the process of taking action with members of a community to positively impact conditions and/or the quality of community life.

Intercultural Competence
Interpersonal Development
